POLICY CITATION

Regents' Policy 05.01.04 Acceptance of State Appropriations, states: "The board must accept state appropriations to the university before any expenditure may be made against the appropriation.

RATIONAL AND RECOMMENDATION

The University of Alaska originally requested FY14 supplemental funding in the amount of \$1.6 million to help offset increases in fuel and utility costs not expected to be covered by other funding sources. UA's revised projections estimate an additional \$1.6 million will be necessary to cover the cost increases.

The University of Alaska requested a supplemental of \$45.8 thousand (\$22.9 thousand general funds and \$22.9 thousand university receipts) to cover the FY14 compensation increases from April 2014 to June 2014 necessary under the agreement with the Alaska Higher Education Crafts and Trades Employees Local 6070 represented members.

relatively flat from \$376.6 million in FY14. The FY15 amount includes an unallocated general fund reduction of \$15.9 million, a legislative reduction of \$1.1 million for UA's travel expenditure, and an increase of \$7.0 million for future power plant debt service payments. The total UA budget for FY15, including receipt authority, is \$924.9 million compared to \$912.4 million in FY14, an increase of 1.4 percent

Approximately 85.0 percent of UA's fixed cost increases were covered by state appropriations (\$8.3 million of \$9.9 million), which includes funding for the recent contract negotiation and excludes utility funding. No base funding was included in the budget for utility cost increases. (H) Tj E MC 35 P 85 / M / D C 09 DC 625.37 -1.14 Td ET () Tj E

XIX. State Relations Report

XX. Approval of Revisions to the UA Scholars Program

[Scheduled for 10:45 a.m.]

The president recommends that:

MOTION

"The Board of Regents approve three significant revisions to the UA Scholars Program, which will take effect in fall 2015 for all UA Scholars:

- 1) Increase the required minimum credit hours earned per academic year from 24 to 30 credit hours beginning in year two of the award;
- 2) Require incoming scholars to register for classes at a University of Alaska campus for the fall semester immediately following high school graduation; and
- 3) Increase the amount of the award from \$11,000 to \$12,000 to be distributed at \$1,500 per semester.

This motion is effective June 6, 2014."

AUTHORITY

Section 15 (G) of the UA Scholars Program Information Booklet states: "The University's Board of Regents reserves the right to terminate, discontinue, suspend, merge or consolidate this Program with other initiatives. This Program may be amended by the authority of the University's President at any time, except that any reduction in benefits awarded to recipients shall be approved by the Board of Regents."

RATIONALE/RECOMMENDATION

Revisions one and two above are being proposed in order to encourage students to enter the University of Alaska sooner, complete their education quicker and to make the program more consistent with the Alaska Performance Scholarship Program.

However, the revisions may adversely affect some students. Scholars will now have to meet a 30 rather than 24 minimum credit hour requirement per academic year for their second and third award years. Scholars will no longer be able to attend other institutions or not enroll for the first academic year following graduation. On the other hand, the benefits are being enhanced by increasing the award from \$1,375 to \$1,500 per semester.

The proposed revisions have been reviewed by the chancellors and the president and are recommended for approval. Although the revisions may not represent a direct “reduction of benefit,” due to the potential adverse effects on certain individuals, the administration has chosen to present the issue to the Board of Regents for formal approval.

[Scheduled for 11:00 a.m.]
